

Nebraska Waterfowl Equipment List

Nebraska game bird license and habitat stamp
Migratory Waterfowl Stamp
Shotgun (s); suggested to bring two in case of gun malfunctions
Shotgun shells
Gun Clean Kit
Thermos
Waterfowl Bag/tote
Preferred snacks or lunch items for day's hunt
Sunglasses
Insulated hat
Insulated Bib, Pants, Parka, or Coveralls
Insulated long underwear top and bottom
Insulated Socks/boots
Insulated Chest waders/hip boots (not mandatory, but can be beneficial to help in retrieving on the river system)
Wader cuffs
Insulated gloves, and mittens
Heat Packs
LARGE cooler for birds taken during your hunt

* I offer bird cleaning at \$5 per goose and \$3 per duck; ALL birds are evenly distributed between the day's group of hunters.

*Dogs are more than welcomed on this hunt. We just ask that they are obedient.

*Even though there is propane heat in the blind, this hunt can be very chilly at times. Be sure to bring plenty enough gear and be able to dress in layers.
